

Welcome to Kids Camp 2025!

This is a packet of information you will want to know for Kids Camp! The Kids Camp leadership staff wants to encourage you to begin praying for camp if you have not already. By our prayers we usher the presence of God to come and move in a great way at camp. There are a lot of awesome things God wants to do at camp, but He needs our participation according to His will. Please be in the Bible daily and ask 5 people to be praying for you during camp. We get to see what God does in the lives of the kids as well as in our own lives! Our camp mission statement states:

“Kids Camp exists to SHOW kids Christ, enabling them to KNOW Christ, GROW in Christ, and then GO in Christ.”

The State of Michigan requires that all volunteers/staff are in attendance. Childcare will be provided only for volunteers' kids who are attending camp.

Volunteer EXPECTATIONS AND GUIDELINES:

- **Job Descriptions & Policy & Procedures:**
 - All camp volunteers are required to read their Job Description and Policy & Procedures manual. **This is required by the State of Michigan.** This enables you to be well prepared and helps you **accomplish everything God has planned for you the week of camp!**
- **Camp Facilities & Property:**
 - Destruction of camp facilities and/or property is not permitted. Any damage is to be reported immediately to leadership. If you see campers throwing sticks or stones at camp property or one another please address the issue right away and stop them. It is our job to keep the camp clean and free of trash. This includes cabins, housing areas, and all other facilities and property.

- **Leaving Camp:**
 - Leaving camp disrupts the relationship building process so our camp program does not permit leaving.
- **Visitors are not allowed:**
 - We do background checks on all staff for the safety of our campers, we have no visitation at camp.
- **Behavior & Conduct:**
 - **None of the following will be tolerated by our volunteers or campers:** Pranks or hazing of any kind including pillow fights, bullying, fighting, swearing, questionable language, teasing, coarse joking, or name calling.
 - **We will speak Life and Truth! We will speak the word of God!**
- **Cabin & Housing Rules:**
 - No male or females are allowed in the opposite sex cabins/area centers.
 - No food is allowed in the cabins.
 - As a volunteer you are expected to follow the schedule, including lights out. -Volunteers are not to be outside of their cabins after lights out unless it is an emergency.
 - Volunteers and campers are responsible for cleaning their cabins and housing areas before going home. It is helpful to have the campers clean them each day!
- **Weapons & Drugs:**
 - **No weapons of any kind are permitted on camp property.** This includes knives, guns, fireworks, or any other weaponry.
 - No illegal drugs, alcohol, cigarettes, cigars and chewing tobacco are allowed on camp property.
 - All medications and over-the-counter medications must be turned in to the nurses station at registration on Sunday for all volunteers.
- **Relationships:**
 - The following guidelines are for the protection of all volunteers and campers. The six inch rule applies to campers and volunteers of the opposite sex.
 - At camp there will be no cuddling, holding hands, kissing, touching, or any other public displays of affection (PDA). It is understood that there are couples who serve together at camp. However, at camp it is expected that you will refrain from displays of affection. It is required that all counselors and assistant counselors remain with their campers during camp and focus their attention on the kids. Therefore, it is asked that couples do not meet each other until all of the kids have been picked-up by their parents or guardians on Friday morning.
 - Volunteers and campers should not talk about male and female relationships while at camp. We are here to focus our attention on growing in our relationship with God.

Note: Campers must not be left alone. All campers must be accompanied by an adult of the same gender at all times. All campers must be in groups of two or more.

- **Safety:**
 - Always keep your eyes out for safety and be aware of potential problems. We want to ensure the physical, emotional, and spiritual safety of each other and every camper.
 - Footwear & T-Shirts: Because of the uncertainty of the terrain in which we walk at camp, tennis shoes are best. When traveling from activity to activity, including water activities, proper footwear and t-shirts must be worn at all times. For aquatic activities water shoes are highly recommended!
 - Travel: Stay together as a cabin group at all times. Do not allow campers to travel ahead of your group. Always maintain visual contact with campers. Campers may not travel anywhere without supervision. All campers must travel in groups of two or more.
- **Cell Phones & Calls & Electronics:**
 - **Volunteers, you are not permitted to use cell phones for calls, texting, or internet/social networking.** It is prohibited except for emergencies or situations that have been pre-authorized by our kids camp leadership staff. It is recognized that there are exceptional situations where outside communication is necessary. It is asked that you make arrangements with your family and/or business prior to arriving at camp so that they will understand that you are not available. **A camper should never see you on your cell phone.**
 - **Campers are not allowed to call home.** If there is a camper with homesickness and you are not able to get them through it, please contact the Camp Supervisor.
 - **Campers are not allowed to use cell phones, radios, gaming devices,** or any other form of cell phone or electronic at camp. If you see a camper with one you are expected to take it and give it to the Kids Camp Leadership Staff. It will be given back to them when they leave camp.
