

Election Prayer Points

1. Pray for wisdom about whom you should vote for.

Pray that God would lead you and give you wisdom about whom to vote for.

2. Pray for other Christians to engage in government in a way that honors God.

Pray that Christians in your community and state would steward their ability to vote and participate in the political process with wisdom.

3. Pray for those running for elected office.

Public service can be difficult, and those who aspire to serve their communities deserve respect. Pray for the well-being and integrity of the candidates running for public office.

4. Pray for righteous leaders.

Scripture tells us, "When the righteous increase, the people rejoice, but when the wicked rule, the people groan" (Proverbs 29:2). Pray that God would use the elections to raise up righteous leaders.

5. Pray for pastors and church leaders.

Pray that pastors and church leaders would encourage and equip their congregations to steward their vote in a way that honors God and loves their neighbors.

6. Pray for unity around truth.

Although we might disagree on various issues, we want to express genuine love for everyone around us. Pray that Americans would be gracious and understanding with one another and that there would be a united effort to pursue the truth in love.
